Order entered: 7/30/2014

ORDER APPROVING WAIVER

On June 16, 2014, the City of Burlington Electric Department ("BED") filed a letter with the Public Service Board ("Board") advising the Board of (i) its intent to enter into a purchase agreement with Winooski One Partnership ("Winooski One") to acquire Winooski One's hydroelectric generating plant on the Winooski River between the cities of Burlington and Winooski (the "Hydro Facility"), and (2) requesting that the Board waive the ninety-day advance notice requirement of Board Rule 5.202(A).

On July 11, 2014, BED filed a copy of the Purchase and Sale Agreement, dated as of July 10, 2014, between Winooski One and BED related to the acquisition of the Hydro Facility ("Purchase Agreement"), as required by Board Rule 5.203.

On July 18, 2014, the Vermont Department of Public Service ("Department") advised the Board that, based on the Department's receipt and review of the Purchase Agreement, it does not object to the requested waiver of the 90-day advance notice requirement.

The Board hereby grants BED's request and, pursuant to Board Rule 5.204, waives the requirement under Board Rule 5.202(A) that BED provide notice to the Board and the Department at least ninety (90) days in advance of the execution of the Purchase Agreement.

Dated at Montpelier, Vermont, this 30th day of July, 2014.
